

# Adding Course Grading Overview

1. Create a precise, one page, in detail, and saved in PDF format document of how your course will be graded.
2. Click the down arrow beside **Course Grading Overview**, and click on **Edit**.

3. Remove the following highlighted text.

1. To browse for your file, click on **Browse My Computer OR Browse Course** button.

2. Click on file from the **Choose File** dialog box.
3. Click on **Open**.
4. Click on **Submit**.
