

Final Exam Information

1. In the main content, it is helpful to have a folder set aside to hold final exam information. Minimally this would hold a PDF file with date, time, and location of exam. Also, this is a convenient place for study guides and or links.
2. First create a Content Folder within the content area.

3. Title the Folder and click <Submit>

A screenshot of a form titled '1. Content Folder Information'. The form has three main sections. The first section is 'Name', with a text input field containing 'Final Exam Information' and a red arrow pointing to it. The second section is 'Color of Name', with a color selection dropdown set to 'Black'. The third section is 'Text', with a large empty text area.

4. Click on the Final Exam Information content folder and add desired files.
