

Lock Class Notes from Non-Attending Students

1. Create a **Grade Center Column** to store whether or not a student is attending. If this format is followed, all students should start with 1 for a grade; however, this only applies to the beginning of the term. Click **<Full Grade Center>** on left. Click **<Create Column>**.

2. Key in **Column Name**, **Primary Display**, and **Points Possible**.

Grade Columns represent any Student effort that is measured. Columns are added to the Grade Center automatically for work creating a Grade Column. [More Help](#)
