

Test Available Exceptions for Blackboard

The Test Available Exceptions allows you to have different Timers and Availability Times for different groups of Students (ADA and etc...). You can also use the Test Available Exceptions instead of Adaptive Release.

Make a Test/Quiz available for a student or selected students:

1. Add Student (s) by clicking on **Add User or Group** button.
2. If the Student is not visible under the Add User or Group, click **Show All** button.
3. **Select the Student (s)** that you want to give the Test/Quiz by clicking in the text box under User or Group, and click **Submit**.

4. If you check the **Set Timer** option above, make sure the text box is still checked for **Timer**, and the time is correct.
 - a. If you choose to have the test/quiz submitted automatically, click on *Auto Submit*. Make sure *Force Completion* is not turned on.
 - b. **Note:** Once the Student has started the Test/Quiz, you will not be able to extend the time.
5. Click the icon for **Availability** to set the date/time for After/Until, and click on **Save**.
