To access your Student E-mail Account for Wallace Community College, you will need a Username and Password. The Username is issued at time of Admissions. Once you have completed Admission, you will need to wait up to one business day before you can obtain your password (https://passwords.wallace.edu) or log into your account. Once you have obtain your password, the instructions below will help guide you through logging into your Wallace Student E-mail Account.

1. Go to Wallace Community College Website at www.wallace.edu using either Internet Explorer, Mozilla/Firefox, or Google Chrome.

2. Choose the STUDENT EMAIL link at the top of the screen.

3. Enter your Username and Password.

   a. **Username**: first initial, last name, last four of Social Security number @student.wallace.edu.
      - For example, if John Smith’s is SSN: 123456789, he would put jsmith6789@student.wallace.edu.

   b. **Password**:
      - The password you use to logon to a computer at Wallace
      - OR the New Password that you just created using Reset Password.

4. Once you have entered your username and password, click on Sign in.

   **Note**: If you are having trouble logging in, please contact us at: (334) 556-2464 for assistance. If you have your password reset, please allow up to 1 business day for the changes to take effect. Passwords will not be set VIA E-mail. You may also want to update your password on any device or software program that you use to access your e-mail account as well.
Accessing Student E-mail

5. Once you see the Office 365 screen, click on **Mail**.

![Office 365 Screen]

6. Once the Outlook Web App appears, click on the down arrow for **Language** to change the Language from English to a different Language.

   **Note:** By default, the Language is set to English (United States), and you can make changes to this option later under your **Site contents** Settings located under **Settings**.

7. Once you have decided the Language, click the down arrow for **Time zone** to change the time to **Central Time (US & Canada)**.

   **Note:** You can make changes to the **Time zone** later under your **Site contents** Settings located under **Settings** for **Regional settings**.

8. Click the **Save arrow** to save the **Outlook Web App** information.
